

CLAUDIA CERVANTES LECOURS

Data Analyst | Business Intelligence | CRM Analytics | Reporting & Insights

Madrid, Spain, 28220 | +34 672 655 115 | claudia.cervantes.worldwide@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Data Analyst with 10+ years of experience in analytics, reporting, CRM analytics, and performance measurement across international organizations. Strong business and technical foundation in SQL, Python, Power BI, AWS, and business intelligence, helping organizations transform data into actionable insights for strategic decision-making.

LANGUAGES

English (Native) · Spanish (Bilingual) · French (Fluent)

CORE SKILLS

Data Analytics · Business Intelligence · Exploratory Data Analysis (EDA) · KPI Tracking & Performance Measurement · SQL · Python · Power BI · Tableau · Excel · ETL · CRM Analytics & Segmentation · Reporting Automation · Stakeholder Management · AWS Cloud · Generative AI (ChatGPT, Gemini, Ollama, NotebookLM)

PROJECTS

AWS Cloud Data Pipeline (Lambda, Glue, Athena, S3)

Built an end-to-end data pipeline in Amazon Web Services to automate ETL and SQL analytics.

MusicStream Analytics Pipeline (Python, ETL, APIs, SQL)

Built an end-to-end data pipeline integrating APIs, Python, and MySQL to analyze music trends.

World Happiness Data Dashboard (Python, ETL, Power BI)

Built Python ETL workflows and Power BI dashboards to analyze global well-being indicators.

Employee Retention Analysis (Python, SQL)

Analyzed workforce and survey data to identify retention drivers, data quality issues, and opportunities for improving engagement.

Friends Analytics Dashboard (Tableau, Python)

Designed an interactive Tableau dashboard analyzing episode ratings and audience engagement.

PROFESSIONAL EXPERIENCE

Public Diplomacy Coordinator

U.S. Embassy Madrid – Madrid, Spain

June 2024 – January 2025

- Analyzed program and participation data using Salesforce CRM and Microsoft 365 to support outreach strategy and performance reporting.
- Performed CRM data validation and cleansing, improving data quality and reporting accuracy.
- Tracked KPIs related to participation, demographic profiles, and program outcomes to support data-driven decision-making.
- Coordinated projects and workflows using Asana and Slack, collaborating with cross-functional teams on high-impact public diplomacy initiatives.

Program & Events Coordinator

Mediterranean Association of International Schools – Madrid, Spain

May 2022 – November 2023

- Managed and analyzed registration, attendance, and feedback data for international conferences (400+ participants) using Google Workspace and Microsoft Excel.
- Produced reports evaluating event performance, engagement, and ROI to support data-driven decisions.
- Managed the corporate website in Wix, coordinated projects using ClickUp, and enhanced the digital attendee experience through Whova, contributing to an approximately 20% increase in participation.

Donor Relations & CRM Manager

Museum of Miami – Miami, FL USA

December 2017 – February 2022

- Led CRM analytics, reporting, and data governance in Blackbaud Altru CRM, supporting fundraising, marketing, and leadership teams.
- Designed recurring CRM queries and automated reports using Blackbaud Altru and Microsoft Excel to monitor revenue, donor retention, campaign performance, and engagement.
- Applied donor segmentation using FoundationSearch and WealthEngine, contributing to a 25% increase in donations.
- Improved CRM processes through documentation, process standardization, and user training in Blackbaud Altru.
- Maintained data quality and integrity through data governance and CRM best practices.

Museum Educator & Operations Manager

Museum of Miami – Miami, FL USA

May 2015 – December 2017

- Collected and analyzed visitor and program data using Blackbaud Altru and Microsoft Excel to improve operational planning and educational programs.
- Monitored budgets and performance metrics for public programs, guided tours, and special events.
- Managed teams of up to 12 staff members, coordinating daily operations, visitor services, and public programs through structured planning and performance metrics.
